

Priyanshu Kushwaha

Cloud & Cybersecurity Student

Bhopal, Madhya Pradesh

+91 9302742399 — priyanshu18181@gmail.com

LinkedIn — GitHub — Portfolio — TryHackMe

Professional Summary

Cloud & Cybersecurity student with hands-on experience in vulnerability assessment, system hardening, endpoint security, and secure software development. National and regional cybersecurity competition winner with practical experience using industry-standard security tools, Linux environments, and security monitoring solutions.

Achievements

- **1st Prize – 36th CII National WorkSkills Competition 2026 (Cybersecurity)**
- **1st Prize – 36th CII Regional WorkSkills Competition 2025 (Cybersecurity)**
- **Winner – SGSU Hackathon** (Led winning team and secured *(INR)*3,000 prize)
- **Winner – ICAI International Conference on Emerging Technologies in Artificial Intelligence** under AI Tool Presentation category

Technical Skills

Cybersecurity: Vulnerability Assessment, Threat Analysis, Endpoint Security, Security Monitoring, Network Security, System Hardening

Security Tools: Kali Linux, Nmap, Burp Suite, Wireshark, Cisco Packet Tracer

Programming: Python, JavaScript

Cloud & Databases: Google Cloud Platform (GCP), Docker, MySQL, PostgreSQL

Operating Systems: Kali Linux, Ubuntu, Red Hat Linux, Windows, Tails OS

Other Tools: Git, Flask, REST APIs

Education

Bachelor of Computer Applications (Cloud & Cybersecurity)

2024 – 2027

Scope Global Skills University (SGSU), Bhopal

CGPA: **9.0**

Experience

Python Developer Intern

Aug 2025 – Nov 2025

Hackveda

- Developed Python-based software solutions and fixed 10+ critical software defects.
- Implemented authentication and authorization mechanisms to strengthen application security.
- Assisted in testing, deployment, and maintenance activities.

Projects

BlackBox – AI-Powered Endpoint Telemetry & Security Framework

Python, Flask, Fernet Encryption, Gemini API, PyInstaller

- Developed an encrypted endpoint telemetry framework for AI-assisted threat analysis.
- Built centralized monitoring dashboards and automated vulnerability assessment workflows.
- Conducted testing and hardening activities across 15+ user environments.

Cybersecurity Labs & Practice

TryHackMe: tryhackme.com/p/priyanshu

- Maintained an 81-day learning streak and ranked within the Top 5% of learners.
- Completed 77+ rooms covering Linux, Networking, Web Security, OWASP Top 10, OSINT, and Privilege Escalation.
- Earned badges including OWASP Top 10, OhSINT, Hash Cracker, Blue, cat linux.txt, and Cyber Ready.
